

Carlton Trail Ski Club, along with Sobey's & Tim Hortons, presents

Outdoor Family Fun Day

Monday, Feb. 18, 2019

Carlton Trail Ski Club's Dixon Site

1:30 - 5:00 p.m.

Spend the day with your family in an old-fashioned way! Come out to our scenic and rolling Dixon site. **Bring your own skis, snowshoes, or toboggan** and have fun in the outdoors, including **HORSE-PULLED SLEIGH RIDES** and a **WIENER ROAST!**

- **FREE**, but donations welcomed (our normal daily trail fee is \$5.00 per person)
- **ALL PARTICIPANTS MUST REGISTER ON ARRIVAL AND SIGN A WAIVER** before taking part in any of the activities. Participation in ANY activity on this day involves some degree of risk. **ALL PARTICIPANTS TAKE PART AT THEIR OWN RISK.**
- **CHILDREN & YOUTH UNDER AGE 16** that are NOT Carlton Trail Ski Club Members **MUST BE ACCOMPANIED BY THEIR PARENT/GUARDIAN** (parent/guardian must sign waiver) and **SUPERVISED** by their parent guardian at all times. **CTSC WILL NOT BE SUPERVISING ANY YOUTH ON THIS DAY.**
- **CTSC WILL NOT BE SIZING AND LOANING SKI EQUIPMENT OR ANY TYPE OF EQUIPMENT ON THIS DAY.** If you plan to participate, please have all your own equipment (or arrange to attain) **PRIOR** to this day.
- The Dixon site has a **HEATED CLUBHOUSE**. There is no potable water, but we will have drinking water there for you. There is **NO INDOOR BATHROOM FACILITY** (there is an outhouse).
- There will be a wiener roast (courtesy of **SOBEYS**), hot chocolate & coffee (courtesy of **TIM HORTONS**) and horse-drawn sleigh rides (courtesy of **ARDEN DUST** and **KAYDEN HOPPE** and friends).
- For everyone's safety and enjoyment, **NO SNOWMOBILES** or other powered vehicles (except those used by authorized event workers)
- **DIRECTIONS:** Our Dixon site is about 18 km NW of Humboldt. From Humboldt, go about 10km west on Hwy 5. Go **PAST** Dixon Road and instead take the **NEXT** grid (669) 1.6 km further (look for the blue "skier" sign). This is the road just before the Pioneer Inland Terminal (local knowledge – it is the grid road that was flooded over a few years ago). Turn right (north) and proceed 6.4 km. Here you will see power lines over the road and skis nailed to a sign. Turn left (west) and go 1.5 km. You cannot miss the clubhouse on your right.
- *Contact Brian Grest for further information (call or text 231-8284; carltontrailskiclub@gmail.com)*

Don't forget the **City of Humboldt** and **Humboldt Broncos** are also offering activities on this day!
